The New Haven Railroad Historical & Technical Association, Inc. MEMBERSHIP FORM

Updated May, 2016

Revision 29

Benefits of NHRHTA, Inc. Membership:

NHRHTA Members will receive Shoreliner, our premier 40 page publication. The Shoreliner is filled with articles about the New Haven Railroad, written by knowledgeable and respected authors. The Shoreliner is abundantly illustrated with color and black & white photography, and these photo historians once again bring to life the past color and glory of railroading on the New Haven. Some select back issues are still available.

Members also receive SpeedWitch which is a new outreach by the NHRHTA Inc., published as material becomes available, with our goal to be released on a bi-annual basis.

SpeedWitch will be printed with additional contributions of news articles, modeling and other useful modeling information.

SpeedWitch is a COLOR publication with emphasis on detailed modeling articles, new product information and current news about former New Haven lines and rail equipment.
